

## Apiax wins WealthBriefing Swiss Award for 'Best Compliance Solution'

*Zürich, January 28, 2022 - Apiax has joined the ranks of an elite global group after winning a WealthBriefing Award. The embedded compliance provider has been awarded 'Best Compliance Solution' at the Ninth Annual WealthBriefing Swiss Awards 2022.*

Showcasing "best of breed" in the Swiss region, the awards recognise outstanding organisations grouped by specialism and geography which the prestigious panel of independent judges deemed to have demonstrated innovation and excellence during the last year.

Each of these categories is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefing awards so prized amongst winners.

The WealthBriefing Swiss Awards are part of a global programme run by WealthBriefing, and its sister publications WealthBriefingAsia and Family Wealth Report, encompassing all of the world's major wealth management centres.

Participants around the world recognise that winning awards is particularly important in these challenging times as it gives clients reassurance in the solidity and sustainability of the winner's business and operating model.

**Commenting on Apiax's triumph, Philip Schoch, CEO, Apiax said:** "It is a fact that when compliance runs smoother, financial institutions run better. That is why we created Apiax: to remove regulatory barriers with embedded compliance. We are very grateful to have won this award and believe that this prestigious recognition will support the hard efforts of our team to make Apiax a leader in the wealth management space."

**ClearView Financial Media's CEO, and Publisher of WealthBriefing, Stephen Harris, was first to extend his congratulations to all the winners. He said:** "The organisations and individuals who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations to the winners and to those who have put so much work into each winning submission. These awards recognise the very best operators in Swiss wealth management, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in Swiss wealth management.

These awards are independently and expertly judged solely on the basis of entrants' submissions and their response to a number of specific questions, which were

answered by focusing on the client experience rather than purely quantitative performance metrics.
